

50th ANNIVERSARY

Calling all Oliver Stephens past and present students and staff to come and help reminisce and bring back the memories from the last 50 years of Oliver Stephens Public School.

We will have on display the contents of the 25th anniversary time capsule which was unveiled at a recent assembly. We will be taking suggestions for what we should place in our 50th Anniversary time capsule.

Come and share some amazing memories of the past 50 years! As well as a musical performance in the gym of past and present students.

Five rooms will be set up to view artefacts and pictures from the five decades of O.S... We will also have a book fair as well.

Come and meet present and past staff members as well. Take a stroll down memory lane as you go through the school like the good old days! Let's celebrate what it means to be a member of the Oliver Stephens PRIDE!!!

Date: Wednesday, May 8th, 2019

Time: 4:30pm to 7:00pm
