

Thames Valley District School Board

Our school is committed to providing all students with a safe, caring, and inclusive learning environment free from bullying and harassment that promotes respect, acceptance, and empathy.

Our staff, students, parents, and community will work together as a team to make our school safe and welcoming for everyone.

Safe and Inclusive School Plan

Ensuring Positive Learning Environments

✿ This year we are focusing on **creating safe, accessible, inclusive spaces and actively engaging with the school community.**

We are doing this **to establish and maintain positive learning environments where everyone feels safe, supported and included.**

Throughout the year, we will be:

1. Continuing to access student voice
2. Teaching, learning and implementing restorative approaches
3. Affirming the identities of all members of our school community

Community/Home Connections

-Co-creating, enriching and engaging a positive school culture where all identities are affirmed.
